IMPORTANT NEWS-PAPER CHANGE.

Henry Watterson's Courier-Journal Announces a New Policy.

During Three Decades the Louisville Courier-Journal has stood unalterably and conspicuously before the public as the representative of the great commonality of the people against both the Robber Baron, seeking through the accretion of ill-got money to steal away the people's liberty by stealing away their franchise rights, and the ready-tool of the Robber Baron, the bandit politician, masquerading as a Statesman and a patriot the better to serve the ends of his master. In fulfilling this high function it has sometimes had to go fast and sometimes to go slow, sometimes to cry "onward," and sometimes to cry "halt," sometimes to drive at the root of things, and sometimes to drive ahead; but never changing the direction of its movement and always true to the underlying principle of its being, expressed by the simple demand for "The Greatest Good to the Greatest Number."

With the advent of the New Year that is on the first of January, 1903, the Courier-Journal began a campaign from which it looks for commanding results, and the better to reach the objects it has before it, the twice-a-week edition has changed to a once-a-week edition, returning to the old Weekly Courier-Journal, which for a quarter of a century was literally a political bible to millions of Americans who knew they could trust both its prescience and its disinterestedness.

The new Weekly Courier-Journal is modern in every respect, and is a paper for the home. It is issued every Wednesday, and its ten or twelve eight column pages are filled with the best work of the best writers. The price of the paper is \$1 a year, in advance, and it is well worth it.

By a special arrangement with the publishers of the Courier-Journal, you can get that paper and the TIMES one year for only \$1.

Commits Suicide.

Our people were shocked Tuesday morning when the news spread that Martin Stewart had taken his own life at his home across the river from this place. His mother was away for a short time and on returning and going up stairs she observed her son's feet protruding from beneath the feather bed. She thought nothing, but on returning the second time she became anxious and investigated his actions. To her horror she found an empty pistol by his side and her son lifeless with a bullet hole in the back of his head. No explanation was left, and no cause for the rash act can be conjectured.

Burial Wednesday evening at the Stewart grave yard near his home.

Stewart was 30 years old and a good citizen. He is a son of Wm. Stewart, deceased, and was living with his mother at the time.

The Pride of Heroes.

Many soldiers in the last war wrote to say that for Scratches, Bruises, Cuts, Wounds, Corns, Sore Feet and Stiff Joints, Bucklen's Arnica Salve is the best in the world. Same for Burns, Scalds, Boils, Ulcers, Skin Eruptions and Piles. It cures or no pay. Only 25c. at Swann-Day Lbr. Co.

Domestic bliss is simple. If the husband buys his wife pretty clothes and she leads him well the best is easy.

Foils a Deadly Attack.

"My wife was so ill that good physicians were unable to help her," writes M. M. Austin, of Winchester, Ind., "but was completely cured by Dr. King's New Life Pills." They work wonders in stomach and liver troubles. Cure constipation, sick headache. 25c at Swann-Day Lbr. Co.

Some people carry a heavy stock of wisdom that never yields a dividend.

A Million Voices.

Could hardly express the thanks of Homer Hall, of West Point, Ia. Listen why: A severe cold had settled on his lungs, causing a most obstinate cough. Several physicians said he had consumption, but could not help him. When all thought he was doomed he began to use Dr. King's New Discovery for Consumption and writes—"it completely cured me and saved my life. I now weigh 227 pounds." It's positively guaranteed for Coughs, Colds and Lung troubles. Price 50c and \$1.00. Trial bottles free at Swann-Day Lumber Co's.

Saved at Grave's Brink.

"I know I would long ago have been in my grave," writes Mrs. S. H. Newsom, of Decatur, Ala., "if it had not been for Electric Bitters. For three years I suffered untold agony from the worst forms of Indigestion, Waterbrash, Stomach and Bowel Dyspepsia. But this excellent medicine did me a world of good. Since using it I can eat heartily and have gained 35 lbs." For Indigestion Loss of Appetite, Stomach, Liver and Kidney troubles Electric Bitters are a positive, guaranteed cure. The Balance Wheel

Look inside your watch a moment. The balance wheel is making 18,000 vibrations an hour, if it's in good condition. If the movement is sluggish, there's something wrong. It will move 3,558 miles in a year, and requires less than one-tenth of a drop of oil to make it run. But it needs that little badly. The least degree of friction on the bearings alters the motion. Don't take chances. Let me clean and oil and put your watch in order for a year. It will pay and satisfy you.
